COUPÉ OR CONVERTIBLE?

IT'S A TOUGH ONE

 BUILD YOUR OWN

There is no wrong answer when choosing between coupé or convertible. Each has its own unique character, yet both offer exhilarating performance, state-of-the-art handling, and the freedom of a driver-focused experience.

VEHICLES SHOWN: F-TYPE R COUPÉ AND F-TYPE R-DYNAMIC CONVERTIBLE IN SORRENTO YELLOW WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT).

FEATURES AND THEIR AVAILABILITY MAY DIFFER BY VEHICLE SPECIFICATION AND MARKET. PLEASE REFER TO THE SPECIFICATION AND PRICE GUIDE FOR DETAILS OR CONTACT YOUR LOCAL JAGUAR RETAILER FOR MORE INFORMATION.

YOUR F-TYPE

PREPARE FOR GOOSEBUMPS

F-TYPE is Jaguar design in its most beautiful form – lean, elegant and athletic from any angle. It's sleek and imposing, featuring a bold front grille and a long, muscular clamshell bonnet with signature power bulge and air vents.

VEHICLE SHOWN: F-TYPE R COUPÉ IN VELOCITY BLUE

YOUR F-TYPE

VISIONS OF ELEGANCE

Signature 'J' blade LED Daytime Running Lights give F-TYPE a striking on-road presence, complementing the car's sleek and sculpted style and asserting its powerful stance. One of the most noticeable features of the headlights is the monogram detailing in the headlight cluster design.

DESIGN

PERFORMANCE

TECHNOLOGY

SAFETY AND
PRACTICALITY

YOUR F-TYPE

When the engine shuts off, F-TYPE is far from lifeless. Its muscular, elongated bonnet sweeps back over the engine, with a pair of air vents hinting at the power that lies below. Additional fender vents feature the iconic leaper, staying true to our principles of making performance-led design as eye-catching as possible.

TECHNOLOGY

SAFETY AND PRACTICALITY

YOUR F-TYPE

There will be certain moments when you can't help but stand back and admire F-TYPE's smooth, streamlined contours. Sitting low on its wide rear haunches, it sweeps elegantly towards the exhausts that sit surrounded in an exquisitely crafted rear valance. This is one silhouette that will leave a lasting impression.

CHARACTER AND BEAUTY FROM EVERY POINT OF VIEW

The red glow of the LED tail light is sufficient to discourage other drivers from getting too near. But on the off chance you get to see this stunning tail light up close, there's something enticing about the sheer beauty and attention to detail of the monogram pattern that is so unmistakably Jaguar.

“LUXURIOUS CRAFTSMANSHIP AND HARMONISING DETAILS”

“When you get inside a Jaguar, it should excite your senses even while standing still. F-TYPE is the most beautiful British sports car – both inside and out. The interior embraces digital interaction for performance and focus, complementing F-TYPE’s already tactile and engaging controls. Harmonising details also amplify that sense of occasion, and conjure an emotional connection that our customers will never forget.”

ALISTER WHELAN

INTERIOR DESIGN CREATIVE DIRECTOR

YOUR F-TYPE

LUXURY WHEREVER YOU LOOK

The exclusivity of F-TYPE's crafted, clutter-free interior is matched by only one thing - its comfort. Even the tiniest details intensify the sumptuous feel of the car, with fully adjustable seating adapting to any preference. So when you put F-TYPE through its paces, you're not being put through yours.

VEHICLE SHOWN: F-TYPE R FEATURING TAN WINDSOR LEATHER PERFORMANCE SEATS AND OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

Inspired by fighter jet ergonomics, controls are placed where they are intuitively accessible. Instruments are clear and simple. Whilst additional aeronautical inspiration can be found in the joystick-shaped SportShift Selector.

YOUR F-TYPE

THE JOY IS IN THE DETAILS

Out of the corner of your eye, you'll spot the subtle details that are woven throughout F-TYPE's interior. Little nods to our heritage such as the beautifully scripted glovebox button, and the embossed Jaguar leaper on the Windsor leather Performance seats*. Turning your head, the sense of luxury is deepened as you study the intricacy. Like a true Jaguar, its markings tell a story.

YOUR F-TYPE

HEART, MEET MOUTH

F-TYPE is powered by the most thrilling of Jaguar's petrol engines, all of which feature innovative technologies for improved fuel consumption and CO₂ emissions. Without compromising on performance. The base engine is a 2,0 litre Turbocharged, delivering 300PS. At the top of the range is a 5,0 litre Supercharged V8, with outputs of 450PS² and 575PS². The most powerful engine can take you from 0 to 100km/h in a hair-raising 3,7 seconds.

YOUR F-TYPE

SOUNDS EVERY BIT AS GORGEOUS AS IT LOOKS

The moment you push the engine's Start button on the dashboard, F-TYPE erupts into life, with the Active Sports Exhaust delivering a satisfyingly sporty growl. You can then decide whether to slip away quietly, or to hit the road more vigorously. If it's the latter, simply press the optional exhaust button on the centre console to open the electronic exhaust valves wider, changing the volume from astonishing to simply breathtaking.

R-branded exhaust tips only available on R.

TECHNOLOGY

SAFETY AND
PRACTICALITY

YOUR F-TYPE

BE MOVED

BE VERY MOVED

There are three drive modes on an F-TYPE: Sport, Dynamic and Rain, Ice, Snow. Switching to Dynamic Mode stiffens the suspension³, turns the exhaust note up and quickens the throttle response. Rain, Ice, Snow Mode is ideal for harsh weather conditions, curbing the power delivery for greater control. Whichever you choose, one thing's certain - from the minute you get behind the wheel, your driving experience will be totally engrossing.

DESIGN

YOUR F-TYPE

AHEAD OF THE CURVE

An Electronic Active Differential³ transfers torque for optimal grip, so you can take the tightest corners effortlessly. Whilst Adaptive Dynamics³ rapidly analyses steering input, maintaining the stiffness of each damper. Together, they produce the perfect balance of excitement and control. Should you have specific tweaks in mind, Configurable Dynamics³ allows you to personalise several characteristics, including throttle sensitivity, gearbox shift points, steering weighting, and damper stiffness. Just another way of making our F-TYPE, your F-TYPE.

CHASSIS DYNAMICS

Fig 1. Understeer is kept to an absolute minimum.

Fig 2. Power is sustained to maintain constant speed of outer driven wheels.

Fig 3. Torque Vectoring applies brake pressure to slow the inside front and inside rear wheels independently.

**DYNAMICS THAT TURN
A TRIP INTO AN ADVENTURE**

The familiar rumble of F-TYPE sounds as you downshift into the bend. When turning, the Torque Vectoring by Braking system is activated, delivering independent braking to each of the wheels to hold you firmly on course, even during the most testing of hairpins.

All Wheel Drive builds on the exhilarating characteristics of Rear Wheel Drive, so in normal conditions torque is distributed to the rear wheels, delivering true Jaguar agility. In more challenging environments such as snow, torque can be balanced between front and rear wheels to maximise traction. And with Intelligent Driveline Dynamics, F-TYPE's torque is distributed to supply extra traction before it's called for. In extreme conditions, torque can be distributed to the front wheels - where it's needed most.

FEEL THE MUSIC WITH MERIDIAN™

Thanks to Meridian™11 audio systems, you can now enjoy music levels to match your Jaguar's exhilarating performance.

Meridian™'s approach to in-car audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of sophisticated acoustic technology and strategically positioned speakers.

Wherever you sit in the car, you'll get the same concert-quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and atmospheric. And it's the most wonderful feeling.

SAFETY AND PRACTICALITY

YOUR F-TYPE

IT'S WAY AHEAD OF YOU

F-TYPE is undeniably a driver's car. So, to help you focus on the sheer pleasure of driving it, we've built in some advanced safety systems designed to help avoid accidents, such as Emergency Braking. And to help relieve you from the stresses and strains of modern motoring, there are features such as Rear Camera and Front and Rear Parking Aid, to make manoeuvring about town easier.

Traffic Sign Recognition keeps you fully informed and aware on the road, by displaying speed limits and no overtaking signs in the instrument cluster where they can easily be seen.

Lane Keep Assist detects when the vehicle is unintentionally drifting out of the lane, and applies corrective torque to the steering wheel, encouraging you to guide your vehicle back.

Park Assist (Optional) can help make parking easier by steering your vehicle into and out of a suitable space. After selecting either Drive or Reverse, you only have to control the vehicle's speed and braking. Graphics and notifications will guide you through the manoeuvres.

Blind Spot Assist Pack (Optional¹²) can help you prevent collisions. If another car is in your blind spot when you begin to change lanes, Blind Spot Assist detects the car and applies corrective torque to encourage you to guide your vehicle away from the approaching vehicle. **Rear Traffic Monitor** uses the same system to alert you, via the Touchscreen, of moving vehicles during reversing.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

IMPORTANT NOTE ON IMAGERY AND SPECIFICATION

We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that many images cannot be updated to 23 model year specifications. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 23 model year specifications and do not base an order on marketing imagery and specification alone. Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.

COLOURS

Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.

Unladen weight (EU)**	1.646	1.793	1.865	1.865
Unladen weight (DIN)†	1.571	1.718	1.790	1.790
Gross Vehicle Weight (GVW)	1.925	2.050	2.150	2.150

*Weights reflect vehicles to standard specifications. Optional extras increase weight. **Includes a 75kg driver, full fluids and 90% fuel. †Includes full fluids and 90% fuel.

F-TYPE CONVERTIBLE - TECHNICAL SPECIFICATION

FUEL ECONOMY			P300	P450	P575	
Fuel tank capacity - useable litres			63	70	70	
Gasoline Particulate Filter (GPF)			■	■	■	
WLTP*						
Driveline			RWD	RWD	AWD	AWD
WLTP Consumption	Low	l/100km (mpg)	13,3-13,5 (21,2-20,9)	17,2-17,5 (16,4-16,1)	17,5-17,6 (16,1-16,1)	17,5 (16,1)
	Medium	l/100km (mpg)	9,7-9,9 (29,1-28,5)	10,6-10,8 (26,6-26,2)	10,9-11,0 (25,9-25,7)	10,9 (25,9)
	High	l/100km (mpg)	8,5-8,7 (33,2-32,5)	9,1-9,1 (31,0-31,0)	9,1-9,2 (31,0-30,7)	9,0 (31,4)
	Extra High	l/100km (mpg)	9,0-9,2 (31,4-30,7)	9,6-9,7 (29,4-29,1)	9,8-9,9 (28,8-28,5)	9,5 (29,7)
	Combined	l/100km (mpg)	9,6-9,8 (29,4-28,8)	10,7-10,8 (26,4-26,2)	10,8-10,9 (26,2-25,9)	10,7 (26,4)
WLTP CO ₂ Emissions	Low	(g/km)	303-307	392-397	397-400	398
	Medium	(g/km)	221-226	240-244	247-250	247
	High	(g/km)	193-197	206-208	207-210	205
	Extra High	(g/km)	205-210	218-220	222-224	217
	Combined	(g/km)	218-222	242-245	246-248	243

■ Standard.

*The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real-world figures may differ. CO₂ and fuel economy figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment and accessories fitted.

F-TYPE COUPÉ & CONVERTIBLE - DIMENSIONS

Overall Length 4.470mm

Overall Width (inc. mirrors) 2.042mm
(mirrors folded) 1.923mm

Overall Height
Coupé 1.311mm / Convertible 1.307mm

Wheelbase 2.622mm

Front Track 1.596mm*

Rear Track 1.647mm**

Ground Clearance from 100mm

Turning Circle (kerb-to-kerb)
RWD 10,63m / AWD 11,27m

Loadspace Volume

Coupé Dry⁺ 336 litres / Wet⁺⁺ 509 litres
Convertible Dry⁺ 132 litres / Wet⁺⁺ 233 litres

*1.584mm on 20" wheels. **1.628 on 20" wheels. 1.610mm on R. ⁺Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).
⁺⁺Wet: Volume as measured by simulating the loadspace filled with liquid.

Dimensions were measured with vehicle at unladen weight.
